

Business Owner:

We would like to take this opportunity to invite you to participate in the *2009 Marion County Fair*. This year's events should be outstanding. The *2009 Marion County Fair* will be a five-day festival filled with carnival rides, nightly entertainment, industrial, commercial and agricultural exhibits.

The Marion County Fair Board has established a venue to specifically highlight products and services available to the citizens of the Marion County area. This is an excellent opportunity to demonstrate the various products produced and services provided in Marion County and surrounding area. Many citizens are unaware of the vast array of products available locally.

Please take this opportunity to consider having an exhibit at this year's fair. Each exhibit area is 8' x 10' and a table and chair will be provided for your business or organization. The exhibit fee for the event is only \$160. Come display and market your products and/or services to the citizens of your community. Help the 2009 Marion County Fair promote all that Marion County and the surrounding area has to offer.

Remember, the *2009 Marion County Fair* is a non-profit organization, which provides assistance to the Marion County Speech and Hearing Center. The Speech and Hearing Center strives to provide a free hearing aid to all individuals in this county who cannot afford to purchase one.
